KEMC Prayer Group

Following the Open Meeting on 15th October, volunteers have come forward to form the Working Group that will develop proposals for the vision, pattern of ministry and governance.

It's now intended to form another small group to pray together for the Working Group and the wider congregations, as we all seek to discern a way forward that might best support our congregational life and enable the worship, witness and intentional mission of the churches in the Kent Estuary in the coming years. If you'd like to be part of the prayer group, please contact Revd Hannah.
